What lives here

- **Meeting decks and pitch presentations**
  Every internal presentation, grouped by meeting or event.

- **Models and templates**
  Excel models, PDF exports and the templates we start from.

- **Recordings**
  Talks, trainings and workshops you missed or want to rewatch.

- **Research links**
  The data sources and tools the team relies on.

Adding files (editors)

1 **Open Add files**

From the portal, or Admin → Portal.

2 **Drop your files**

PDFs, slides, spreadsheets or videos, up to 50 MB each. Or paste a link.

3 **Pick a collection and date**

For example “Fall 2026 pitch night”, so members can find it later.

4 **Done**

Members see it immediately. PDFs, images, video and Google Slides preview in place.
